

Author, journalist, technology activist, and *Boing Boing* co-editor **Cory Doctorow** presents this year's Richard W. Gunn Memorial Lecture:

The Coming War on General Purpose Computing: Every single political issue will end up rehashing the stupid Internet copyright fight.

Thursday, Feb. 28
7:30pm - 9:30pm

Alderson Auditorium
University of Kansas
Student Union

Admission is free but
seating is limited
