

# ENGL 690

Instr. Chris McKitterick

## Studies In: The Science Fiction Novel

**Open to undergraduate and graduate students.**

**Become fluent in SF by studying some of the most-influential novels that shaped the genre and the world we inhabit today - and where we'll live tomorrow.**

**SCIENCE FICTION**

**Become fluent in SF that shaped the genre and the world we inhabit today - and where we'll live tomorrow.**

**"The most powerful works of SF don't describe the future - they change it."  
- Annalee Newitz, io9**
